KING CAROL ESCAPES ASSASSINATION WHEN SEVEN SHOTS FIRED

Attempt—Regarded as Part of Iron Guardist Putsch to Seize Power in Rumania—Attacks Made on Telephone Exchange and Radio Station—Coup Proves Unsuccessful

BUCHAREST, Sept. 4 (P).—Gunmen attempted in vain to assassinate King Carol last night in an alleged Iron Guardist plot to seize power and place Prince Mihai on the throne.

While the would-be assassins broke through the palace guard and fired seven shots at a lighted window in Carol's palace, other groups of Iron Guardists attacked the Bucharest radio station and the American-owned telephone company's central office.

Similar coups were attempted at Brasov and Constanta, but were quickly crushed.

One Iron Guardist and one palace guard were reported shot in the palace here, but neither was wounded fatally.

MANY SHOTS FIRED—Many shots were fired in the palace grounds before the attackers were overcome and hustled away by soldiers.

Several men entered the telephone exchange and wrecked some of the switchboards with hatchets. The radio station went off the air after a group of men in uniform burst in and tried to destroy the equipment. And they were arrested.

The fact that a coup had been attempted was acknowledged in an official communiqué, but the effort to kill King Carol was minimized.

The various groups made no secret that they were Iron Guardists. In the palace grounds they threw out hundreds of manifestoes signed by

PLANS DRIVE FOR WAR LOAN

Air Raid Demonstrations to Be Staged in Cities Across Canada

OTTAWA, Sept. 3 (P).—As part of the campaign to sell Canada's second war loan to Canadians, members of the Dominion's air power since the start of the war was a part of a campaign which will enlist agencies of all descriptions throughout the nation.

TO OPEN CAMPAIGN—The campaign will be officially launched tomorrow by members of the Government, Opposition Leader Hanson, Hon. Grote Stirling, Conservative dean of the Commons, and Air Vice-Marshal Bishop, will review the first year of the war at Canadian Club luncheons in various cities throughout Canada and urge Canadians to support the second war loan.

TAKE CHILDREN AS PROTECTION

Six Fugitive Convicts Hold Three Children—Nine Others Captured

COLUMBIA, La., Sept. 3 (P).—The death toll in Arkansas' sensational Labor Day prison farm break stood at four tonight and three high school children were held hostage as armed citizens and peace officers sought other members of the desperate band.

Nine of the thirty-six convicts who also took their way out of the prison from the Cummins Prison Farm in Arkansas were recaptured during the night and day-long search through two states.

Frank Conley, thirty-four, one of the ringleaders in the massed escape, was shot down by posse bullets on the levee of the Ouachita River here today, only fifty yards from the spot where Frank Garmann, a postman, was killed last midnight.

CONVICTS KILL GUARD—The fleeing convict killed a guard in their break for freedom. The body of an unidentified convict was washed ashore in the Arkansas River near the prison farm today.

Steve Alford, state superintendent of police, sent 100 state police here to join nearly 1,000 armed citizens and peace officers who believe they had surrounded Conley's five associates.

Two girls and a boy, all about sixteen, were seized near Rayville, La., last night when the six convicts fleeing into a forest church near here took their automobile. Using the children as a shield, the convicts escaped one trap last night, fleeing deeper into the swamp, a well-known hideout for desperadoes.

Seeks to Remove Misunderstanding

SYDNEY, Australia, Sept. 3 (P).—Sir John Latham, Australian Minister-Delégation to Japan, in a speech today declared he would represent the Commonwealth in Tokyo as part of the British family and seek to remove misunderstandings.

He said it had been frequently asked whether there was danger of a split between Britain and Australia concerning policy in the Far East; it would be diplomacy's job to prevent such a contingency.

Sir John declared that it was in the interests of Australia, as well as in the ultimate interests of Japan, to lay the foundations of peaceful relations in the Pacific.

DAYLIGHT ATTACK ON GUN EMPLACEMENTS

LONDON, Sept. 3 (P).—Britain's long distance bombers have struck at Italy's greatest commercial city, the harbor of Genoa, on the northwestern coast of the kingdom, the Air Ministry announced tonight.

Royal Air Force bombers, which previously had bombed Italy's key industrial cities of Turin and Milan, lying to the northeast and northwest, and forming a triangle with Genoa, attacked a power plant and railway junction at Italy's principal seaport.

ATTACK NEW TARGETS—The R.A.F. bombers "Night Hawk Patrol" marked the first anniversary of the war by attacking new targets in Germany as well as in Italy, while aircraft of the Coastal Command bombed supply ships at sea in a Norwegian harbor on Dornier flying boat into the sea.

Objective in Germany included the dynamite works near Cologne. Gun emplacements on the French coast at Cap Gris Nez also were raided and apparently were the subject of a daylight attack today as

Served Guns When Badly Hit by Bomb

LONDON, Sept. 3 (P).—The tenth Victoria Cross of the war was awarded posthumously today to Acting Leading Seaman Jack Foreman, who stood by his guns on H.M.S. Foylebank during an enemy aircraft attack last July 4, although badly wounded.

The Admiralty announced that Mantle was in charge of the starboard pom-pom (anti-aircraft) gun when the ship was attacked. Early in the action his left leg was shattered by a bomb, but he stood fast and continued firing with his right hand when the electric power failed. Later he suffered wounds in several other places. When the fight ended he fell beside his gun.

Lieut. James W. Golby Of Victoria Awarded Decoration by King

Receives Distinguished Service Cross for Bravery in Historic Evacuation From Dunkerque

Wallace Cavette, Also of Victoria, Praised

LONDON, Sept. 3 (P).—The King decorated five Canadians for bravery at a Royal investiture held in Buckingham Palace during an air raid this morning. Two of them were from Vancouver and one from Victoria.

Four of them were naval men and the other a squadron leader of the Royal Air Force. They stood alone with a number of other members of His Majesty's forces while the King pinned on their breasts awards for valor.

The naval officers, all acting sub-lieutenants, distinguished themselves during the historic evacuation of Allied troops from the hell pocket of Dunkerque. For their

BERLIN, Sept. 4 (P).—British bombing planes, hidden by lofty clouds, flew high over Berlin shortly after midnight today.

Authorized sources admitted the Royal Air Force planes had broken through the city's defences.

They said the two formations, approaching Berlin over Magdeburg, to the west, and Wittenberg, to the southwest, had been subjected to heavy anti-aircraft fire.

FORESEE FIGHT IN INDO-CHINA

Japanese Prepared to Invade French Colony—Chinese Threaten Invasion

HONGKONG, Sept. 3 (P).—A reported virtual ultimatum from Japan to the governor of Indo-China heightened tonight the possibility that rich possession of Indo-China would become a battlefield—even if its poorly-armed forces do not resist.

Neutral informants from Hanoi, Indo-China capital, said the Japanese insisted on immediate use of Haiphong, main port on the Gulf of Tonkin, as a military base—and the right, as well, to move Japanese troops over the French-owned Yunnan Railroad to the Chinese border.

China's Foreign Minister, Wang Chung-Hui, has declared that Chinese forces will invade Indo-China if the Japanese send troops there.

SITUATION IS UNCERTAIN—Although Reuters' News Agency dispatches from Saigon, French Indo-China, said the Japanese ultimatum had been rejected. Hanoi informants said the Petain-appointed Governor-General, Vice-Admiral Jean Decoux, had decided to try to delay a decision and seek further instructions from Vichy.

(Vichy has acknowledged there is a "revolt" against the present French Government in Indo-China.)

TAHITI TO FIGHT AT BRITAIN'S SIDE

LONDON, Sept. 3 (P).—Tahiti—romantic Southern Pacific French island—announced tonight that it will fight on at Britain's side against Germany.

General Charles de Gaulle, leader of free Frenchmen, made the announcement at his headquarters here. He said that other French islands in Oceania are expected to follow Tahiti's lead.

The Tahiti governor was said to have been repudiated by the population and a council of three appointed to administer the island.

In Wellington, New Zealand, Prime Minister Peter Fraser announced that in a plebiscite held at Tahiti, and its fellow islands in Oceania, Moorea and Tuamotu, 5,564 votes were cast for General Charles de Gaulle compared with 18 for Marshal Petain.

BRITAIN RECEIVES DESTROYERS AND U.S. GETS DEFENCE BASES

From Europe Day by Day—

THE TIMES, London

(Copyright, 1940, by Southern Co.) LONDON, Sept. 3 (By Cable).—The end of one year of war, says The Times, shows Europe is transformed beyond anything that could have been imagined. By the end of June, Hitler and Mussolini commanded between them practically the entire resources of the European continent. At one moment, imminent defeat stared the British Empire in the face. That was when its retreating army stood at bay on the Channel ports and informed judgment of the British High Command estimated not more than 30,000 men would escape the enemy clutches. Had that prophecy been fulfilled, with only a negligible force of trained men left in the United Kingdom and the collapse of France already more than probable, the British Isles would have lain naked to the invader.

Since that moment, however, the war's whole aspect has been changed by two events—one, the superb fight at Dunkerque, which ended in the successful withdrawal of 336,000 men. This enabled the largest body of trained troops Britain has ever contained to be created for home defence. The second great event was the series of air battles fought over the British coasts during August, when the Royal Air Force inflicted decisive defeats on greatly superior numbers of Nazi aircraft. When equality in numbers is reached, British bombers in their attacks on Germany will be come irresistible.

Outlining the year's successes The Times stresses the conquest of the illegal U-boat warfare and of the magnetic mine, the efficacy of the convoy system, the erosion of the home guards as part of the army of 3,000,000 men, and the magnificent achievements of the Royal Air Force, which has saved Britain from what was expected to be at the outbreak of the war a wholesale massacre of the civilians.

In the first year of the war, British air and ground forces destroyed nearly 4,000 German aircraft, losing little more than 1,000 in return. These figures take no account of the hundreds of Nazi machines so badly damaged that in all probability they never reached home. The total loss of airplanes by the Germans from all causes during the year must exceed 7,000 machines with 18,000 pilots. The comparable British losses are under 3,000 pilots.

In their present mass raids over London, the Germans are using a great number of fighters to protect their bombers. These raids are mainly directed at airdromes in Kent, Surrey and elsewhere, but in no indiscriminate that civilian deaths continue to increase throughout the country with senseless destruction of house property.

GUADELOUPE IS HELD BY FORCE

Citizens of French Colony Seek to Enter Ranks of Free Frenchmen

ROSEAU, Dominica, Sept. 3 (P).—The French West Indian island of Guadeloupe is being held for the Vichy Government only by the bayonets of sailors and marines from a French warship, according to reports reaching this neighboring British colony.

Reports trickling through to Dominica, thirty miles from Guadeloupe, say 85 per cent of the French island's population is pro-British and anxious to enter the ranks of the free Frenchmen under General Charles de Gaulle. Only force keeps them from joining other French colonies aligned with Britain.

The governor of the island, a De Gaulle sympathizer, has been relieved of his official duties by the commander of the French cruiser Jeanne d'Arc, according to the reports.

LATE NEWS BULLETINS

FEAR TROUBLE BREWING IN THE FAR EAST—SHANGHAI, Sept. 4 (P).—Admiral Thomas C. Hart, commander of the United States Asiatic Fleet, arrived here unexpectedly today amid reports of imminent fast-breaking developments in the Far Eastern situation. Attention of foreign military observers was concentrated on French Indo-China, where French troops had been ordered to leave the colony and to use the port of Haiphong as a military base in the war against China.

BELIEVE ITALIANS PLAN OCCUPATION OF SYRIA—CAIRO, Sept. 3 (P).—Belief that the Italians are moving toward occupation of French-mandated Syria was expressed tonight in official British quarters. This belief was based on a report that members of the Italian Armistice Mission had demanded that France disband her Air Force in Syria as the first step in the direction of Italian occupation. A tendency among the French in Syria to resist such demands was reported here.

HERO OF BATTLE WITH GRAF SPEE GOING HOME—LONDON, Sept. 3 (P).—Rear Admiral Sir Henry Harwood, hero of the battle which resulted in the scuttling of the German pocket battleship Admiral Graf Spee last December, is returning to England to take up an undisclosed post. He is being succeeded as commander of the British South Atlantic Fleet by Commodore Frank Henderson Parnham.

GERMAN BOMBERS RAID COAST TOWN—LONDON, Sept. 4 (P).—German bombers caused a number of fatalities during the night as they attacked a Northwest Coast town in waves, dropping hundreds of incendiary bombs and many high explosive missiles.

Fifty Over-Age War Vessels Immediately Serviceable to Be Handed Over With No Delay—United States Board Already Has Gone to Examine Sites in Island of Bermuda

Agreement Meets With Warm Approval in Both Countries

WASHINGTON, Sept. 3 (P).—President Roosevelt, in a historic message to Congress, today announced an agreement under which Britain receives from the United States fifty over-age but useful destroyers and grants in return sites upon which the United States can build naval and air bases for Western Hemisphere defence.

Warm and generous approval was given to the agreement in most of Washington, although spokesmen of the isolationist group opposed it bitterly. Others, while noting that the agreement had aided both democracies, protested against the secrecy with which it had been effected.

TO RECEIVE DESTROYERS

U.S. Warships Expected to Be Taken to Canadian Ports for Transfer

OTTAWA, Sept. 3 (P).—Canadian ports will witness the transfer of fifty United States destroyers to the Royal Navy, and work is already in progress on detailed plans to receive them, it was announced tonight by naval service headquarters.

This followed closely on the announcement by President Roosevelt, in his message to Congress, that the fifty over-age destroyers would be given the British Navy in exchange for United States rights to establish a chain of defence outposts in the British West Indies and British Guiana. The United States at the same time received as a gift the right to similar bases in Newfoundland and Bermuda.

PRIME MINISTER PLEASED—Prime Minister Mackenzie King, obviously pleased with this latest phase of defence co-operation from the United States, restricted his comment to one sentence: "The facts eloquently speak for themselves of Anglo-American friendship."

He had already been advised of the contents of the President's message to Congress and the negotiations, which have continued for some

GERMANS USING LARGEST PLANES

Dispatch of Troop Transport Aircraft Over England Sign of Deficiency in Bombers

LONDON, Sept. 3 (P).—The four-engined German "monster" bombers which formed the centre of a mass formation attacking Southeast England this morning were identified by a neutral air source yesterday as Junkers 90's, the large military planes used by the Nazis as troop transports in Norway.

British sources said there was no evidence the bombers were carrying troops, and expressed the opinion that the use of such planes showed the Nazis "slowly are becoming deficient in other bomber types, such as Heinkels and Dorniers."

The planes, with a wing span of 115 to 120 feet and close to 100 feet long, can carry a crew of five and sixteen 250-pound bombs, or a smaller number of larger missiles. The Junkers 90's have been in production about nine months.

THREE PLANTS WILL BE BUILT

Government to Spend \$17,500,000 on Three Vast Munitions Factories

OTTAWA, Sept. 3 (P).—Munitions Minister C. D. Howe announced today three new plants, costing in all some \$17,500,000, will be added immediately to Canada's rapidly expanding programme of industrial development to meet wartime demand for guns and chemicals.

The plants will be in operation in 1941, employing "a personnel of many thousands," the Minister said. They comprise an \$8,000,000 chemical plant, a \$7,000,000 gun plant and a rifle plant costing \$2,500,000.

The chemical plant, a part of Canada's explosives programme, will be located in Alberta, and the other two plants will be in Central Canada.

TO USE NATURAL GAS—The chemical plant will manufacture more than 200 tons of ammonium nitrate, using as a raw material the natural gas available in Alberta. Mr. Howe's statement said.

The plant will be constructed and operated under supervision of the Allied War Supplies Corporation, a Government-owned company created to administer the various components in the Canadian explosives programme.

Mr. Howe said the particular type of skilled men required in the rifle and gun plants are available in the area where the plants are to be located.

WOULD SEND OVER BATTLESHIPS TOO

Senator Carter Glass Would Rather Fight With England Than Without Her

LYNCHBURG, Va., Sept. 3 (P).—Senator Carter Glass, Virginia Democrat, said today he approved not only the exchange of over-age United States destroyers for British bases, but "in favor of sending our battleships over too."

A statement made at his home here follows:

"I wish it (the destroyer swap) had been done long ago. And not only I wish it had been done long ago, but I am in favor of sending our battleships over too. I'd rather fight with England than without her, which we would have to do if the barbarians should beat her in this war."

Democratic Generals Set a New Standard In Army Leadership

Canadian Military Commanders in England Give Most Direct and Personal Attention to Job In Hand—Have Been Through Mill

SOMEWHERE IN ENGLAND, Sept. 3.—The generals directing field operations and activities of Canada's expanding overseas force are setting a new standard in democratic military leadership. When action starts they will be right in the thick of it with their officers and men, where they can give the most direct and personal attention to the job in hand.

Lieutenant-General A. G. L. McNaughton, now a corps commander; Major-General G. R. Pearkes, commander of the 1st Division, and Major-General V. W. Odium, commander of the 2nd Division, are all of the same ilk. They have been through the mill of rugged soldiering and not one of them would ask his men to undertake a task he would not as readily tackle himself.

JEWS WILL FORM NATIONAL ARMY

Force of 100,000 Men to Be Mustered From All Parts of World, Says Leader

LONDON, Sept. 3 (P)—Plans for the formation of a Jewish national army to fight at the side of the Allied forces against Germany and Italy were disclosed in London last night.

The army's minimum strength, according to A. Abraham, head of the political department of the new Zionist organization who discussed its formation at a conference today, is to be 100,000 men apart from troops recruited in Palestine.

The "first 100,000," he said he hoped, would be quickly mustered by recruiting in all parts of the world.

Most recruiting, however, will be carried on in the United States, according to the conference plans. The new army, it is proposed, will be equipped by the British Government, although an effort will be made to have Jews provide financial support themselves.

Explosion Fire—A gas stove which exploded in a house tent at the Victoria Auto Camp, Gorge Road, on Sunday morning at 9:47 o'clock started a fire which totally destroyed the structure and its contents. The Spanish Fire Department responded to the call and prevented the flames from spreading to the other house tents. The cost of the building and equipment amounted to \$150, firemen asserted.

SCHOOLS OPEN FOR NEW TERM

Almost 8,000 Boys and Girls of Victoria and District Enrolled

With expressions registering various degrees of distaste, and with remarks entirely in accord with their expressions, some 8,000 Greater Victoria children wended their respective ways back to school yesterday, and exchanged grim looks with their teachers for the forthcoming term, during the short time classes were in session.

Youngsters of grade schools were registered by their principals yesterday as they attended the opening exercises, while the pupils of the various high schools had almost all registered during the last few days of last week.

Although tabulation of the number of pupils was not completed at a late hour yesterday, the school board was confident of a large increase in the number of youngsters attending local schools, due to the number of families arriving in Victoria who are brought here by requirements of the army, navy and air force.

In addition, the number of children evacuated from England to the city is steadily increasing, and the total will grow as the year progresses. Already almost every school has at least one, and sometimes more, of the young Brits sitting in one of the classrooms.

The opening-day classes were for the most part short yesterday, the students being dismissed shortly after they had registered to allow them to obtain supplies. Stores selling school requirements were crowded all yesterday afternoon with youngsters preparing for another year of scholastic enthusiasm.

TWENTY-FIVE ENEMY AIRCRAFT SHOT DOWN

Continued from Page 1

been shot down today by our fighters, making a total of twenty-five. "It is now established that fifty-five enemy aircraft in all were destroyed in Monday's engagements, forty-three of them by our fighters and twelve by anti-aircraft fire.

Two pilots previously reported missing as a result of yesterday's action are now known to be safe."

BIG AIR BATTLE

The Nazis' daylight attacks on Southeast England brought one of the war's biggest air battles, but the Air Ministry said the Germans managed to bomb only one spot in Kent. The majority were turned back at the coast.

The Air Ministry news service said tonight:

"The German air force today continued their attempt to batter the air defences of Southeast England. The chief result up to 7 p.m. was that they had themselves lost twenty-three more aircraft, and probably many others, against a loss of seven of our own pilots. They had failed completely to weaken in any way or in any place fighter opposition.

"Today our ground defences also gave new proof of their strength. On the first anniversary of the start of the war, it became known that the anti-aircraft gunners have so far accounted for more than 200 of the enemy.

TOTAL RAISED TO 204

"With the addition of a further eight shot down yesterday, the gunners' total now is raised to 204, not counting any successes that may later be reported as a result of today's fighting.

"Up to 7 p.m. the enemy had made two big attacks. The objectives appeared in each to be the R.A.F. aerodromes.

"The first wave came about 10 a.m. when about 250 enemy aircraft flew up Thames Estuary. They made a two-pronged attack north and south of the river.

"The second wave in middle afternoon was smaller. About 100 to 150 bombers and fighters again sought to attack Southeast England, some crossing the Kent coast and others approaching, as in the morning, up the Thames Estuary.

CZECHS BAG SEVEN

"During the morning attack a newly-formed Czech squadron of the R.A.F. shot down another seven of the enemy, six Messerschmitt 110 fighter-bombers and one Dornier 215 bomber. So far the squadron has destroyed sixteen enemy aircraft and lost only one pilot.

"They first attacked the Messerschmitt 110's which were flying in large numbers at about 20,000 feet. Below them were Dorniers, above them Messerschmitt 109's. The Czechs dived in their Hurricanes out of the sun, each choosing one of the enemy to attack. So far as they know, the enemy's first knowledge of their approach was when a hail of bullets began to hit them.

"One pilot had to bail out. Apart from that, not one of the Hurricanes had a single bullet hole to show it had been in action."

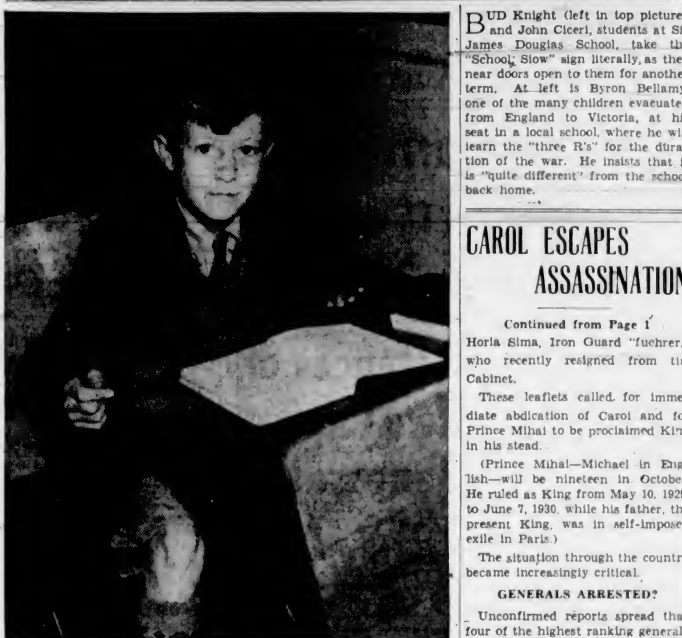

ATTEND SERVICE

Prime Minister Churchill and his Cabinet Ministers attended a service in Westminster Abbey commemorating the first anniversary of the war. This was during the second raid alarm, and as the service neared an end, the all-clear signal was heard. Cannisters were "remarkably small" and damage "slight" in German night bombings on Monday on the outskirts of London and a number of areas elsewhere in England, the Government announced.

NOTED IMPRESARIO DEAD
FERRARA, Italy, Sept. 3 (P)—Giulio Gatti-Casazza, for twenty-six years artistic director and fiery impresario of the Metropolitan Opera in New York, died here yesterday in his birthplace.

A bomb hit the mayor's home, where he and the mayoresses were in bed. The couple fell through the bedroom floor when it collapsed into the living-room and they were rescued from under a heap of debris and removed to a hospital. The mayoress is suffering from two fractures.

The Nazis' attempts to crack the British defences cost them eighty-five planes on Sunday, making a week-end total of 110. The Royal Air Force's losses were thirty-seven on Saturday and fifteen on Sunday, a total of fifty-two, but thirty-four pilots saved themselves by bailing out.

well as a raid last night. Heavy thudding of bombs was heard from across the Channel this afternoon.

RAILWAY JUNCTION BOMBED
At Genoa, in addition to attacking the power station, the important railway junction of San Pier d'Arena was heavily bombed.

As usual oil installations were among the principal targets of the "Night Hawks." These they battered at Ludwigshafen and Frankfurt in Germany and at Flushing in The Netherlands.

Ostend in German-held Belgium was attacked, and Lorient, on the French coast, was raided for the second time this week.

The Air Ministry said two British aircraft failed to return.

building. Several other deaths were reported at Saint George.

At Timbocara, in South-Transylvania, Italian and German consulates were wrecked, as were Hungarian and German stores.

Some circles expressed fear that the Germans might establish a complete military occupation of Rumania—thus making that nation a battleground if Russia should move farther to the southwest.

This was based on the fact that during Tuesday it had been disclosed authoritatively that the Germans intended to line Rumania's Soviet frontier, along Southern Bucovina, with panzer divisions no later than September 15.

MAY ARM PEASANTS
Some informed Rumanians said, too, they feared that Rumanian troops returning from Transylvania might turn their arms over to the peasants, a vast number of whom already have organized corps to resist the cession.

At the time of the attack, the King's Council of Ministers was reported in the palace holding another in an almost endless series of meetings that have followed the Balkan crisis.

During the day there were three developments, which presumably were under discussion:

1. A high authority said that Rumania's new frontier with Russia would be lined September 15 by German panzer divisions to stand as a barrier against any further Soviet penetration and that they would be backed up by yet another line of Rumanian military forces.

2. In Northern Transylvania men died in armed clashes between Rumanians and members of the Hungarian minority, and there was a prospect of ever graver outbreaks. Defying orders from Bucharest to yield, Rumanians fought for possession of communications, railway stations and military barracks.

Children Sing as They Leave Liner Torpedoed at Sea

More Than 300 Child Evacuees Aboard When Vessel Attacked by Submarine in Darkness—Only Casualty Was Ship's Purser, Fatally Injured in Fall—Discipline Perfect

LONDON, Sept. 3 (AP)—A British ship taking 320 children and an unannounced number of passengers to Canada from the reach of Nazi terrorism in the air was torpedoed by a U-boat, the Ministry of Information announced on Sunday, but not a single child was lost.

Only casualty was the ship's purser, fatally injured when he missed his step while entering a lifeboat.

The children sang as they took to the boats. Lifeboat drill, which they received in the first time aboard, was credited with cheating Hitler's underwater warfare of a new list of innocent victims. The name of the vessel was not divulged.

Geoffrey Shakespeare, Under-Secretary for Dominions, described the escape as "a miracle. Friday night and most of the children were in bed."

PERFECT DISCIPLINE
Rescuers said the children behaved "like guardsmen on parade." They maintained perfect discipline. Childish voices raised in song carried the strains of "Roll Out the Barrel" and "Oh Johnny" across the darkened waters.

The ship remained afloat, the Information Ministry said. It gave no indication of where the ship was hit.

When more than seventy of the children had been landed at a northern British port early today most still were clad only in pyjamas.

"The children took their lifeboat stations as if they were experienced seamen," a member of the crew said. They fled onto the slanting decks of the ship, marched to their lifeboat stations and were helped into the waiting boats.

The Ministry of Information said that the ship did not sink, and the transfer of the little evacuees from her to the rescue ships was carried out in perfect order, and that the children's kit was undamaged."

WERE FROM SCOTLAND
The announcement said that seventy-four of the children were from Scotland. The group was one of a number selected for transfer overseas by the Children's Overseas Evacuation Board, and were almost entirely from state-aided schools. They were mostly from the industrial areas of London, Manchester,

The children had gone to bed at 7.30 p.m. Friday. Within three and one-half minutes after the torpedo struck and the alarm bell sounded, every child was at his lifeboat station wearing his life jacket.

Two of the ship's holds were filling and the children were ordered into the lifeboats. Four boats pulled away. Officers noticed then that the ship had stopped settling and an attempt was made to recall the boats.

The third hold began filling then and the order to take to the boats was repeated. All but one safely except the purser, who slipped as he was entering a boat.

In the darkness the boats kept together by signaling with flashlights.

SHIP IDENTIFIED
NEW YORK, Sept. 3 (AP)—The child refugee ship which was torpedoed en route to Canada last week was identified today by The New York Times, quoting private sources as the Holland-American liner Volendam.

The vessel, The Times said, did not sink and was towed back to a port in Scotland and for repairs after all of its 320 child refugees had been taken to safety.

The Volendam is a 15,434-ton liner which has been in trans-Atlantic service since 1922.

Dr. Irene B. Hudson Returns After Long Absence In England

"The fundamental feeling in England—the thing that everyone either consciously or unconsciously expresses—is that Country, God and Duty are one. The whole thing is summed up in the national slogan: 'Get on with it.'"

Dr. Irene Hudson, former member of the Victoria medical fraternity, brought back this opinion of the spirit of the Old Land on her return to Victoria after eighteen months' absence in England. She brought, too, a picture of some of the evacuee children who are being sent to Canada, for among the 700 boys and girls on the convoyed ship on which she traveled across the Atlantic were 500 sponsored by the Government reception scheme known as C.O.R.B. (Children's Overseas Reception Board).

"The children on our ship were positively a joy to see," she reported. "They were all so happy and so full of information about Canada. They lapped up anything in the way of information that anyone was able and willing to give them. They were so interested about the schools, sports, opportunities for young people, and anything about the country itself," she reports.

She had, for instance, found eager listeners when she talked about the "kings in some parts of the country. Many of the older children, even, were almost incredulous when they were told that it was 3,000 miles from one side of Canada to the other, and the wartime restrictions on maps made it more difficult to picture the immensity and character of this country.

TESTED LIFEBOAT
While the children took to boat drill readily, there were some amusing incidents. One six-year-old boy threw his lifebelt overboard to see whether it would float. He did not intend to trust himself to it unless it proved itself seaworthy. The fact that the children had been under war emergency conditions in England for so many months before they left probably accounted for their amenability to boat drill.

"For in England one has to be prepared for any emergency," she commented, recalling the ubiquitousness of the gas mask, the night torch, and the setting out of suitable rain shelter clothing every night before retiring.

MATTER OF FACT
Of the great mass of English people she had nothing but the highest admiration. They took their responsibilities as a matter of course. The general feeling was that there was no room in England for non-producers, and where such existed they were shown little patience. Much splendid voluntary work was being done. This spirit had come to light at the very first call for homes for evacuees. Those who had shown the real spirit were the real people of England, who had given their husbands and brothers in the last war and their sons in this war. In this connection she recalled a woman of sixty-five who was giving her services voluntarily for eight hours daily—or nightly, if necessary—in A.R.P. work. "Splendid work was being done all over the country by those in the local defence services. Many of these were veterans of the last war, often of high military rank, who were being used for coast guard and similar defence work.

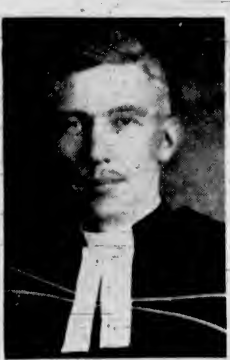

For the present Dr. Hudson is staying at Glenisland Inn, but will take up residence shortly in her home on Amphion Street.

Naval Sloop Is Sunk by U-Boat

LONDON, Sept. 3 (AP)—Sinking of the sloop H.M.S. Penzance by a German submarine was announced by the Admiralty late yesterday. The Penzance, a 1,025-ton warship classified as an escort vessel, was completed in 1930 and carried two four-inch anti-aircraft guns.

IS MODERATOR OF PRESBYTERY

Rev. J. L. W. McLean Elected To Local Office in Presbyterian Church

REV. J. L. W. McLEAN, M.A.

Reverend J. L. W. McLean, minister of St. Andrew's Presbyterian Church, was elected moderator of the Presbytery of Victoria of the Presbyterian Church in Canada, at the semi-annual session of the Presbytery held last night.

He succeeds Rev. Peter McNabb, who presided over last night's meeting, held in St. Andrew's Church, and opening with devotional exercises.

The report of the budget and stewardship committee, presented by Alex Cruickshanks, showed an increase in the fund, compared with the same period last year. The Presbytery will resume its sessions today at 10 a.m., when standing committees will give their reports.

LIEUT. JAS. W. GOLBY IS GIVEN DECORATION

Continued from Page 1
of Squadron Leader A. C. Brown, of Winnipeg, a veteran of the R.A.F. Another aviator honored was Squadron Leader Maxwell Aitken, of Lord Beaverbrook, Minister of Aircraft Production.

VICTORIA CROSSES
Three Victoria Crosses were among the 320 honors bestowed during the investiture, the first ever held while London was under an air raid warning.

When sirens wailed half an hour before the time for the start of the Royal ceremony, officers and others to be decorated already were arriving at the palace with their relatives. His Majesty personally ordered the programme was not to be interrupted.

One representative of each of the services received the Victoria Cross. Lieut.-Commander Richard Stannard, of His Majesty's trawler Arab, was awarded the bronze cross for attempting to put out an ammunition dump fire at Namsos, one of the landing points of the British expeditionary force to Norway last Spring.

Second Lieut. Richard Annand, of the Durham Light Infantry, won the cross for valor under fire. Among his exploits, he disregarded his own wounds to frumple his wounded batman to safety in a wheelbarrow.

BOMBED CANAL
Flight Lieut. Roderick Learoyd was the air force V.C. winner. He bombed a vital link in the Dortmund-Ems Canal in the face of point-blank anti-aircraft fire from German batteries.

The King congratulated each one of the Canadians and spoke to them briefly on their stay in this country and inquired about their length of service.

In addition to their work at Dunkerque, most of the Canadians decorated also participated in the widespread demolition carried out at French ports before the British withdrawal.

Lieut. Golby helped wreck the massive dock at Le Havre, which cradled the Normandie during her construction. That, he said, was "my outstanding piece of necessary destruction." Two floating dry-docks used in naval construction also were dynamited by the stumpy British Columbian.

"The French didn't like to see us playing hob with their belongings," he explained. "But we couldn't see them fall into enemy hands."

Lieut. Timbrell, who looks even younger than his years, served aboard a British warship during the Norwegian operations before taking over command of a ninety-ton Royal naval yacht at Dunkerque. His little craft rescued uncounted hundreds of Tommies and polus from the bomb-crushed beach at Dunkerque.

Lord Beaverbrook took off half an hour from his demanding duties as Minister of Aircraft Production to see his son decorated.

FIRST DAYLIGHT FLIGHT
Squadron Leader Brown's record contains a great number of outstanding successes. He was one of the first R.A.F. men to carry out a daylight reconnaissance flight over Germany. The day the Nazis crashed into the Low Countries he made a sortie along the Albert Canal and mapped power stations and other vital points.

The Canadian, who has been in the Royal Air Force since 1934, faced point-blank fire from German batteries during the canal job.

Understands, But Unable to Speak English Language

"WHAT is your name?" Magistrate Henry C. Hall asked a Chinese, charged with possession of opium, in the city police court yesterday morning. "Mah Lang," the Chinese replied smartly. "Do you understand English?" was the brief answer. "No," was the reply. "Remained until tomorrow to secure an interpreter," the court ordered. Two other Chinese, charged similarly, were given remands until September 10.

on which he often flew as low as ten feet over the water.

The fact that he returned at all from the flight was due, he says, "to the outstanding bravery" of Aircraftman W. J. Cavett, of Victoria, who manned the plane's machine guns.

Although wounded so badly that he is still in hospital, Cavett stuck to his guns, and replied to the enemy's fire, which wrecked one engine of Brown's plane and had the second stalling.

"After a daring bombing foray on Nazi positions at Abbeville, France on another occasion, Brown was almost back at his base in England when he discovered that through a mechanical fault he had not released all his bombs. He returned to Abbeville and 'lost' the remaining 'bombs' overboard."

"During operations at Dunkerque his plane was shot from under him. He tossed about the Channel in a rubber boat for an hour before being picked up by a British trawler."

BORN IN VICTORIA

Lieut. James W. Golby is twenty-three years old and the son of Mrs. Thomas Golby, Ten Mile Point, and the late Mr. Golby. He was born and educated in Victoria and is a member of the Royal Victoria Yacht Club. His wife, the former Georgina Cooney, and daughter, Sharon, live on Poul Bay Road.

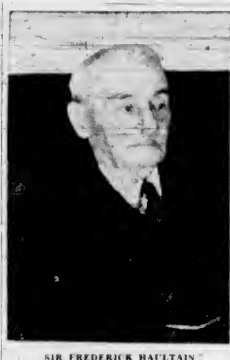

Aircraftman Wallace Cavett, twenty years old, was born in Victoria and educated at Sir James Douglas and Victoria High Schools. He went to England about eighteen months ago and was later joined by his father, William Cavett, a former member of the Victoria Fire Department; Mrs. Cavett and their daughter. The family lived on Joseph Street.

No man can always do just as he chooses, until he always chooses to do God's will; and that is heaven. There is no liberty in wrongdoing.—Joseph Cook.

SASKATCHEWAN PIONEER HERE

Former Chief Justice Sir Frederick Haultain Is Visiting City

SIR FREDERICK HAULTAIN

One of the pioneers of bar, bench and government in Western Canada is at the Empress Hotel on a brief visit to Victoria in the person of Sir Frederick Haultain, retired Chief Justice of the Saskatchewan Court of Appeal.

Sir Frederick and Lady Haultain arrived here yesterday, after spending a few weeks on the Mainland. Their home is in Montreal.

Sir Frederick Haultain, who first practised law in Macleod, Alberta, was premier, attorney-general and commissioner of education in the Northwest Territories from 1897 to 1905, when the provinces of Alberta and Saskatchewan were formed.

Thereafter he was leader of the old Provincial Rights Party in the Saskatchewan Legislature until 1912 when he was appointed Chief Justice of the Saskatchewan Supreme Court. He was knighted in 1916 and made Chief Justice of the Court of Appeal, which post he held until his retirement two years ago.

FAITH AND HOPE
Hale and hearty at eighty-two years of age, Sir Frederick said yesterday that he and Lady Haultain were here "enjoying a very good holiday." It is many years since he was in Victoria last, but he thinks the Pacific Coast is "as delightful as ever."

Commenting on the war, the former Saskatchewan chief justice said that "at this stage the best things to have are faith and hope," although he declared he had no fear

of the ultimate outcome. He paid a tribute to the wonderful work of the British airmen after said that Canada "seems to be doing as well as she can—just as she did before—in speaking of the Dominion's war effort."

Yesterday Sir Frederick had a long talk with Sir Richard Lake, a former Lieutenant-Governor of Saskatchewan and an old friend of long standing, and they had many mutual subjects of interest to recall.

On his way back to Montreal, Sir Frederick Haultain plans to spend some time duck shooting at his lodge in the Qu'Appelle Valley, a diversion that he indulges in every September.

JURY RETURNS OPEN VERDICT AFTER INQUIRY

Say Testimony Insufficient
To Show How Mrs. Edith
Alice Myles Died

CORONER HART AGREES
EVIDENCE INADEQUATE

Death by strangulation at the hands of some person or persons unknown was the substance of the verdict brought in by a coroner's jury which investigated yesterday the circumstances surrounding the death of Mrs. Edith Alice Myles, wife of Leading Seaman Ronald Myles, R.C.N.

Mrs. Myles' body was found lying on the kitchen floor at her home, 1229 Esquimalt Road, last Friday night, when police went to the house in answer to a telephone call. Her husband was taken into custody and was formally charged on Saturday with murder.

The jury refused to amplify its verdict, after Coroner Dr. E. C. Hart had once refused to accept an open verdict and sent the jurors back for further deliberation. The foreman said that it was the finding of the jury that the evidence was insufficient for the presumption of murder.

POST-MORTEM

Results of a post-mortem examination were related by Dr. J. H. Moore, who stated that death was due to asphyxiation from strangulation, and that a considerable amount of violence must have been used to produce the injuries found on the woman's throat.

These injuries could not have been self-inflicted, Dr. Moore said in answer to a question by Stuart Henderson, who appeared on Myles' behalf.

Petty Officer Benoit Fouquet, a neighbor of Mr. and Mrs. Myles, stated that on Friday evening the quartermaster at the Esquimalt Naval Barracks was looking for Myles, saying that he had a telephone message for Myles that his wife was sick. The witness said he would call at the house on his way home, and shortly before 8 o'clock he saw Mrs. Myles sitting on the front step of her home smoking a cigarette. He asked if "Doc" (the nickname by which he called Myles) were at home, and Mrs. Myles replied that he was not.

Petty Officer Fouquet then told her that he had been unable to find her husband, and she made the remark:

"He'll be sorry when he does come home."

The witness said that he noticed nothing unusual about Mrs. Myles.

POLICE EVIDENCE

Detective William Stark stated that in response to a telephone call he went to 1229 Esquimalt Road on Friday night, arriving about 10:20 o'clock. He rang the bell and the door was opened by Myles. Witness went through to the kitchen and found the woman lying on the floor, dead.

Dr. J. S. McCallum, who reached the house five minutes after the detective, said the woman was fully clothed and wearing a topcoat over her dress. He described marks on the throat, and told Mr. Henderson that it was impossible to say how long the woman had been dead, though he believed it to be over one hour.

A picture of the body was produced by Albert H. Dobson, and evidence of identification was given by William George Hulbert, Vancouver, father of Mrs. Myles, who said she was twenty-six years of age.

Myles was not called to the witness stand.

Delivering the jury's verdict the first time, the foreman said there was no evidence by which the jury could determine whether death was caused by murder or manslaughter.

OPINION UNCHANGED

This opinion was unchanged when the jury returned a second time, after having been sent back by the coroner. Dr. Hart said he admitted that the evidence was not satisfactory, but pointed out that in such a case the jury was entitled to presume the worst, though from the evidence the jury would not be entitled to indict any one person. If the jury refused to presume murder, he would accept the verdict.

Accordingly, the jury found that Mrs. Myles' died from injuries caused by strangulation, but that the evidence was not sufficient to reach a conclusion as to how she received the injuries.

The jury comprised George Wise (foreman), Stanley Darling, Wynston Holland, James T. Mann, Eric Young and George Hunter.

Kiwanians Hear Reports on
Annual Meeting Held
In Spokane

With the programme of the weekly Kiwanis luncheon meeting at the Empress Hotel yesterday given over to the reading of reports of the five delegates from the Victoria club who attended the Pacific Northwest Kiwanis convention held in Spokane on August 18, 19 and 20, the members were advised that the Victoria club was perhaps the best represented organization on the Coast, attending the gathering of some 1300 Kiwanians.

Delegates included Darrell Spence, local president; Percy Waters, vice-president; Harold M. Dugan, Kenneth Ferguson and Walter Walker. The unveiling of the convention

theme, typifying the Kiwanis motto, was done by Harold Dugan, of the Victoria Kiwanis Club, while the reply to the welcoming speech by Spokane's mayor, Frank Sutherland, was made by Kenneth Ferguson, past governor of the local district.

DEDICATION CEREMONIES

It was decided at the convention to have as many members of the gathering as possible reconvene at Vancouver on September 19 for the dedication ceremonies before the Harding Memorial in Stanley Park.

The Kiwanians elected A. V. Cory, of Washington State, as district governor, and Deane Crabtree, also of Washington, as lieutenant-governor of the Kiwanis district, including Victoria.

W. F. Tickle, who is in charge of arrangements for the forthcoming aquacade, to be held in the Crystal Garden on September 5, reported that all arrangements had been completed for the gala. The R.C.A.F. band will be in attendance for both the swimming exhibition and the aquacade, while the plans for the midway, under Warren Martin, included every known game possible

to include in the arrangements. Dancing will be included in the programme.

Members were also asked to volunteer their services for the donation of posters bearing the replica of the Union Jack to the different schools. The first flag will be presented on Monday morning at the Victoria High School, when representatives of the school board will be in attendance.

Soroptimists Clear \$288 at Garden Party

The Soroptimist Club at its September business meeting, held last night at the home of Miss Nellie Jones, Blackwood Street, received the official financial statement of the recent garden party held on behalf of their war charities fund, this showing net proceeds of \$288.31 after payment of all expenses.

Miss Marion Holmes, the president, was in the chair, and Miss Shaw moved that a special letter of thanks be sent to Mr. and Mrs. W. Mayhew for so graciously lending their beautiful grounds for the event, and, in addition, making a most generous donation and showing great personal interest in the success of the undertaking. Among the others to whom special letters of thanks will be sent are Mrs. Reed Paige Clark, who opened the affair; Mr. and Mrs. Melville Mayhew, for their exhibition of flowers, which were subsequently auctioned; Fred McGregor, the auctioneer; C. V. Milton, and members of the Elks Club, who helped with the evening; the three members of the Girls' Drill Team and the girl pipers, and the ladies who acted as patronesses: Mrs. T. W. Walker, Mrs. Charles E. Wilson, Mrs. W. Hobart Nelson and Dr. Olga Jardine.

TREASURER REPORTS

The treasurer, Mrs. R. E. Green, reported that \$42 had been cleared from the Dorothy Davies and William Harkness entertainment given at the Memorial Hall recently for the Soroptimist Club war charities fund. Thanks were also passed to these. The sum of \$30 was voted towards the club's welfare fund. Much of the meeting was taken up with discussion of the question of evacuated children, the matter arising through a letter from the American Federation president, Mrs. John Bennett. Pending receipt of information from the British Soroptimist Club, the Victoria club will suspend action.

Miss Nellie Jones was appointed as second representative to the Regional Council for two years, and Mrs. B. M. Clarke's position in a similar capacity for a second year was endorsed.

WEDDINGS

SHEDDEN-FOSTER

Rev. S. Howard officiated at the wedding of Margaret Ellen (Buddy), daughter of Mr. and Mrs. Nelson M. Foster, 640 Dundas Street, and Mr. Alfred H. Shedden, son of Mr. and Mrs. L. Shedden, Waterloo, Ont., which took place on Monday evening in Centennial United Church.

The bride was given in marriage by Mr. James Geddes Smart, and wore a Victorian style frock of ivory, tulle, with a fitted bodice caught into the waist with Maltese lace and had a Sweetheart neckline and a long full skirt. Her finger-tips were of illusion net and she wore a coronet of lace and lustrous orange blossoms and she carried a prayer book with a shower of Sweetheart rosebuds falling from a cluster of Johanna Hill rosebuds.

The senior bridesmaid was Miss Treasie Gilliland in a gown of shell pink lace and net. The bride carried a Sweetheart neck and puffed sleeve, and came in points at the waist from which the full net skirt extended to the floor. She also wore a halo hat of pink lace with a veil of net, gloves of net and carried a shower bouquet of pink carnations and Johanna Hill rosebuds. The other bridesmaid was Miss Lois Foster, in a dress of daffodil yellow tulle with insets of shirred-taffeta, having a long full skirt. She carried a bouquet of Baby Royal dahlias and maidenhair fern. Mr. Nelson Foster was best man.

The service was fully clerical, and at the beginning of the service the choir sang the hymn "O Perfect Love" and "O Father, All Creating" as the register was being signed. Standard baskets of lily and orchid gladioli, palms and lighted ivory tapers in silver candelabra decorated the room.

The bride party was entertained at the family home by Mr. and Mrs. Foster, the latter wearing a black crepe frock trimmed with sequins, a black picture hat and a corsage bouquet of rosebuds. Pastel-shaded stocks and lily tapers were used in decoration of the supper table, which was centred with the wedding cake.

For a honeymoon Up-Island, the bride left in a "Peasant" style dress.

BERGER-PERRY

At the home of the officiating minister, Rev. W. H. Gibson, the marriage took place Saturday evening of Florence Lillian, third daughter of Mr. and Mrs. C. C. Perry, 1459 Vining Street, and Mr. Willard A. Berger, second son of Mr. and Mrs. J. Berger, Duncan, B.C.

The bride, who was unmarried, was given in marriage by her father. She wore a smart navy blue and white ensemble with accessories to match and a corsage bouquet of red carnations and white heather.

After a brief honeymoon in U.S., the bride and groom will reside in Victoria. The bride's father, Mr. Willard A. Berger, is a member of the R.C.N.V.R., eldest son of Mr. and Mrs. J. E. MacDonald, 720 Wilson Street, was quietly solemnized in Queen of Peace Church at 8 o'clock last evening by Rev. Father Wood.

The bride, who was given away by her father, wore a pink and white ensemble with white accessories and a corsage bouquet of Ophelia roses. The bridegroom's sister, Miss Roseanna MacDonald, attended her. In a pale green frock with white accessories and a corsage bouquet of pink carnations and Johanna Hill rosebuds, she was the bridesmaid. The best man was Jack Anslow, R.C.N.V.

The wedding party and a few friends were entertained at the home of the bridegroom's parents, where the wedding cake centred the supper table. On the front of the honeymoon on the mainland, Mr. and Mrs. MacDonald will take up residence in Dana's Court.

SCHWIND-YVE

Rev. Hugh A. McLeod officiated at the wedding of Iris Alexandra, younger daughter of the late Mr. William A. Yve, and Mrs. E. A. M. Black, 3572 Quadra Street, and Mr. Walter Henry Schwind, younger son of the late Mr. and Mrs. C. H. Schwind, Edmonds, Wash., which took place in the vestry of First United Church at 3 o'clock on Sunday afternoon.

The bride was given in marriage by her uncle, Dr. J. L. Yve, and wore a smartly-tailored military-style navy blue suit, with a victory blue imported felt hat trimmed with wine birds and a blue veil, wine and blue accessories and a corsage bouquet of gardenias and Rhapsody roses. Miss Kathleen Harris, Vancouver, was bridesmaid, in a navy blue tailored suit with a matching hat and veil and navy accessories. Pink carnations and white heather composed her corsage bouquet. Mr. A. H. Schwind, Seattle, supported his brother. Only the immediate relatives of the young couple were present at the ceremony, which was conducted in a setting of pink gladioli and white asters.

The wedding party was entertained at the home of the bride's mother, which was attractively decorated with Pearly gladioli and pink and white asters. Mrs. Black welcomed the guests in a black triple sheer redingote over a printed crepe dress, with a corsage bouquet of pink rosebuds, and was assisted by the bridegroom's sister, Mrs. E. M. Stablin, in a black bolero costume with a poey of pink carnations.

For a honeymoon trip to California, the bride donned a blue top coat of imported black boucle trimmed with Persian lamb over her wedding ensemble. Mr. and Mrs. Schwind will make their home in Seattle.

Guests at the wedding included

Mr. and Mrs. H. A. Dreaney, Duncan; Mr. and Mrs. E. Hedley, Port Alberni; Mr. and Mrs. N. Hedley, Duncan; Mr. and Mrs. E. Stablin, Edmonds; Mr. and Mrs. D. C. Eggar, and Miss E. Hoffman, Seattle.

KING-WESTRUM

"Lantern Lane," the home of Mr. and Mrs. R. W. McClung, Gordon Head, was the scene of a wedding on Saturday evening when Miss Cleo B. Westrum, daughter of Mr. and Mrs. S. A. Westrum, Biercrest, Saskatchewan, became the bride of Mr. James Alexander King, son of Dr. and Mrs. Alexander King, New Westminster. Rev. T. G. Griffiths, of St. Aidan's United Church, performed the ceremony in the presence of a number of friends. The bride was given in marriage by Mr. R. W. McClung, and attended by Miss Margaret E. King, the bridegroom's sister, while Mr. Jack McDermott, Vancouver, supported the groom. Mendelssohn's Wedding March was played by Miss Maxine McClung, and during the signing of the register Miss Barbara Dawson sang "O Promise Me," accompanied by her mother, Mrs. C. F. Dawson.

Refreshments were served from a table decorated with pink rosebuds and white asters, and centred by a three-tier wedding cake made by the bride's mother. Assisting Mrs. Paul McClung and Mrs. Horace McClung in the dining-room were Misses Jean Dawson, Phyllis Mullen, Doreen Gray and Edna Raper. Mrs. R. W. McClung proposed the toast to the bride, to which the bridegroom made a fitting reply.

The out-of-town guests were Dr. Alex and Mrs. King, parents of the groom; Miss Margaret King, his sister, all of New Westminster; Mrs. J. H. McDermott, and her son, Mr. Jack McDermott, Vancouver; Mrs. Howard Johnson, cousin of the bride, also of Vancouver, and Mrs. Robert Kerr, Rouleau, Sask.

Mr. and Mrs. King will reside on James Island.

Garden Fete Is Held at Fulford

The members of St. Mary's Church, Fulford Harbor, held their annual sale of work and garden party recently at the home of Mrs. J. J. Shaw, which had been kindly lent for the occasion. The stalls and competitions were in the garden, and the perfect day and good attendance from Fulford Harbor, and the surrounding area, made the afternoon's proceedings, by which the sum of \$74.28 was cleared for the church funds.

The needlework stall was presided over by Mrs. J. Bryant and Mrs. L. D. Drummond, the home produce by Mrs. Harold Price. The made flower garden, with its attached prizes, was arranged and managed by Mrs. T. M. Jackson and Mrs. A. Davis. A dart competition, in charge of Mrs. Charlesworth, was won by Mrs. T. F. Speed, Mrs. W. Y. Stewart took hand work prizes, and Mrs. Charlesworth, who guessed the correct weight, 5 lbs. 10 oz. Water color sketches of St. Mary's Church, painted and donated by Mrs. J. Bryant and Mrs. Charlesworth, were won, respectively, by Mrs. E. Tassell and Mrs. A. J. Smith. Bingo was in charge of Jerry McDonald, and fortune-telling was undertaken by Miss E. Hamilton. Tea, under the management of Mrs. Shaw, with the assistance of Mrs. Bryant, Mrs. E. Tassell, Mrs. J. Mollett and Miss C. Shaw, was served at several small tables on the veranda and in the house.

VICTORIA BOYS IN

MAINLAND HOSPITAL AFTER A COLLISION
VANCOUVER, Sept. 3 (P)—Two "teen-aged" Victoria boys are in hospital here today each with a fractured leg suffered when the motorcycle on which they were riding was sideswiped by an automobile on Lulu Island.

Edward Hulford, sixteen, of 830 Pandora Avenue, and Earle Morrison, seventeen, 3380 Quadra Street, were returning home by way of the Sidney ferry after a holiday here. Hospital authorities report their condition "good."

Hospital Fund Still Growing But Need More

A total of \$23,700 has been collected for the Royal Jubilee Hospital's building fund since the first appeal was made early this summer. It was announced yesterday following a tally-up of donations and receipts from tag days and contributions left on hospital cots stationed in the downtown area.

This leaves the directors of the institution with still another \$26,000 to raise in order to complete financing of the new wing so necessary to meet the growing needs of the city, and to take care of emergent conditions that may arise as a result of the war.

In announcing the result of the campaign to date, directors expressed their deep appreciation for the work done by various organizations in connection with the recent tag-day and drive-by hospital cot donations. These organizations are as follows: Senior and Junior Women's Auxiliaries of the hospital; Daughters of Pity, Gonzales Chapter, I.O.D.E.; Florence Nightingale Chapter, I.O.D.E.; Local Council of Women, C.G.I.T.; Women's Service Clubs, Venture Club, Boy Scouts, Kinsmen Club, Gyro Club, Kiwanis Club and Rotary Club.

Those wishing to make donations toward the building fund are requested to leave their cheques or cash with Dr. T. W. Walker, superintendent of the Royal Jubilee Hospital; F. E. Winslow, care of the Royal Trust Co., or C. S. Henley, of

weeks, were well known to the Dominion Cabinet.

Stating that transfer of the destroyers to "British control would take place in the near future" at Canadian ports, the naval service headquarters statement gave no details of the method by which the destroyers will be manned.

Naval headquarters explained the reluctance to divulge any details of the plans for receiving the United States destroyers in the following statement:

"It is obvious that the enemy will seek every opportunity to reduce this very welcome addition to the Commonwealth Fleet, and by denying him detailed information of the destroyers' movements his task will be made more difficult."

Lacking any official comment on the outcome of Anglo-American negotiations over the destroyers and defence bases, it was assumed here that this is entirely in line with Canadian policy for co-operation with the United States.

UNDER BRITAIN'S CONTROL
Canada did not enter into the negotiations concluded by today's announcement, so far as is known, since the bases concerned are all under United Kingdom control.

The Dominion is directly involved, however, in that the huge \$16,000,000 airport in Newfoundland, and other strategic points there are being guarded by Canadian troops, and

Veteran Yachtsman
Is Presented With
Silver Water Jug

B. B. Temple, of Royal Victoria Yacht Club, Is
Recipient of Token of Appreciation for
Services Rendered Yachting

HIGH-LIGHTING the distribution of prizes at the conclusion of the big international regatta at Cowichan Bay on Sunday evening last, was the presentation to B. B. Temple, of the Royal Victoria Yacht Club and chairman of the judges' committee for the day, of a silver water jug.

It was presented on behalf of the members and officers of the Royal Vancouver Yacht Club by Fleet Captain C. J. Dill, and inscribed in appreciation of the unselfish manner in which Mr. Temple had always given his services in connection with Northwest regattas for many years past as an official judge and starter. The presentation of the silverware was a nice gesture on the part of the Mainland organization, and the applause which attended its giving was proof enough of its timeliness and the cordial regard the yachting fraternity of these parts has for the recipient.

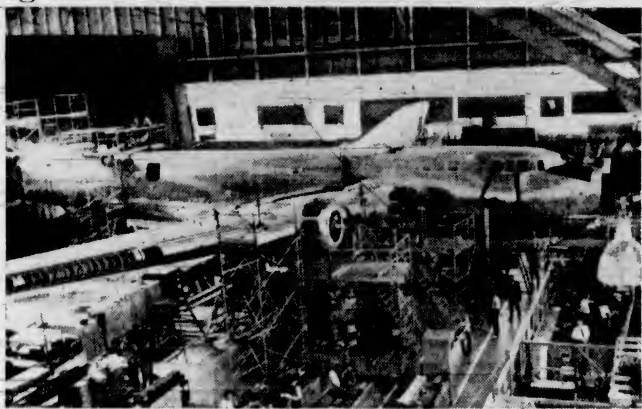

NUMBER ABSENT

Annually staged under the aus-

ices of the Royal Vancouver Yacht Club and assisted by officers of the Royal Victoria, Maple Bay and Cowichan Yacht Clubs, the Cowichan Bay regatta has always proved successful, and this year's gathering was no exception, although a number of well-known skippers and crewmen were absent, wearing, in various capacities, the uniform of the navy or some other unit of H.M. Canadian forces.

In this connection, Commodore E. P. Ashe, of the R.V.Y.C., who was asked to say a few words to the assembled amateur sailors at the presentation of prizes, voiced the hope that the war wouldn't be responsible for the abandonment of the annual

Big Bomber for United States Defence

Thought to be the world's largest bombing plane, the Douglas B-19 is unveiled at Santa Monica, Cal., for inspection by William Knudsen, chairman of the National Defence Advisory Committee. The bomber has a wing spread of 210 feet and has four engines. The plane is capable of flying 5,000 miles to Europe and back—with a full load of bombs. Weighing seventy tons, it will carry a crew of ten.

DESTROYED BY
ENEMY ACTION

Sixteen Merchant Vessels
Totalling 79,750 Tons
Lost Last Week

LONDON, Sept. 3 (CP).—The Admiralty announced today sixteen merchant ships, thirteen of them British, were destroyed by "enemy action" during the week ended August 25-26. They totalled 79,750 tons. This total compared with an average weekly loss of 52,540 tons since the start of the war, the Admiralty said, but was below the average of 80,700 tons since May 27, when German losses totalled approximately 923,000 tons and Italian losses 273,000 tons since the outbreak of war, the Admiralty asserted.

"Enemy" claims to have sunk 140 tons of shipping during the week under review were declared to be "considerably over twice the actual recorded losses." In a review of the first year of war at sea, a naval spokesman said enough action had been seen to prove the chances of a successful air attack against an efficient fleet either at sea or in harbor, are small.

PROVED VALUE

"We have found our ships better in construction and operation than pre-war estimates," he said. "They have proved their value in every test." The pre-war conception of defence against air attack has been shown to be "not very wrong," he said. "Though we had to invest millions of pounds on theoretical construction for aerial defence." The spokesman asserted war experience showed "all naval defences can be defended." As an example, he said, since the Orkneys base at Scapa Flow was well armed against an aerial onslaught, it had not been lost.

Local Yachtsmen
Say Farewell to
Brother Sailors

Local yachtsmen said farewell on Monday night last to Commodore E. P. Ashe and Claude L. Campbell, of the Royal Victoria Yacht Club, who are leaving shortly for Eastern Canada on their way to England for service with H.M. Canadian ships. The farewell party took place at the yacht club premises, Cadboro Bay.

Welby Van Horn Is Beaten by Everett In National Tennis

Ranking California Star Eliminated by Florida Youngster in Five-Set Match—Prusoff In Running—Riggs Wins Easily

NEW YORK, Sept. 3 (AP).—Welby Van Horn, California ace, was the only casualty among the seeded stars at the second day of the national singles tennis championships today at Forest Hills.

Van Horn's conqueror was twenty-two-year-old Harris Everett, of Jacksonville, Fla., a University of North Carolina ace. The scores in the long match were 3-6, 5-7, 6-3, 6-0, 15-13.

Standing out in sharp contrast to the rest of the matches was the manner in which National Champion Bobby Riggs opened the defense of his title. Fitted against Ernie Suter, the former intercollegiate champion, Bobby covered worlds of courts and showed virtually no flaws as he romped through, 6-2, 6-2, 8-6.

Canada's only representative, Don McDermid, of Ottawa, was defeated by the surer strokes of Charles Mait-

man, of New York, in a second-round match, 7-5, 6-4, 9-7.

The two opponents expected to give Riggs the most trouble—Frank Kovacs, of Oakland, and Don McNeill, of Oklahoma City—came through, too. Kovacs laughed his way to a 6-1, 2-6, 6-1, 10-8 victory over the former Dartmouth captain. Norman Anderson, while McNeill defeated Joe Fishback, of New York, 6-4, 6-4, 9-7.

They were joined by Frankie Parker, Joe Hunt, Henry Prusoff, Billy Grant and Elwood Cooke.

The women's seeded stars swung along efficiently. Helen Jacobs eliminated Cecilia Beaven, of Philadelphia, the national squash, racquet champion, 6-1, 6-0. Alice Marble breezed through Josephine Sanfilippo, of Brooklyn, 6-0, 6-1, and Sarah Palfrey turned back Nina Brown, of England, by the same score.

STEVEDORES WIN HONORS

Annex Provincial Softball Title With Easy Victories Over Mainlanders

Softball's biggest fiasco, the 1940 provincial championships, was presented Labor Day at Royal Athletic Park, and when the "comedy of errors" was over, Victoria Longshoremen were champions. More than 1,000 followers of the "big apple" pastime left the Caledonia Avenue ball lot thoroughly disgusted with the ragged exhibition turned in by Alberta Lumber, Vancouver nine.

Longshoremen won with scores of 21-2 and 15-1, but apart from the fact that the double victory brought the British Columbia championship to the city, there was nothing to the show. Stevedores were hot, and certainly made to look a lot better by the miserable exhibitions turned in by the visitors.

Lumbermen, according to their own statements, fielded a weakened club. The fact was that the "weak club" angle is concerned. Mainlanders were never any match for the locals, and in their Labor Day exhibitions it is doubtful if they could defeat the weakest nine in the Lower Island "B" section circuit.

Ralph Bonner hurried the first game of the double and let the visitors down with three scattered bingles for a 21-2 victory. Lloyd Knapp, Longshoremen's first-sacker, clouted a homer with two men on for the only excitement in the lopsided ball game.

Ray Byers pitched the second and final fixture. He was nicked for six safeties and should have had a shutout.

Art Hoover, teen-aged youngster, did most of the pitching for the visitors. He worked five innings in the first game, giving up nine hits and seventeen runs, and pitched the seven-inning second tussle. McDonald worked the remaining three innings in the opener.

The Labor Day victory by Manager Jim Lackie's stevedores was the second time in the past eight years that Victoria "big apple" nines annexed the championship on the softball diamond. McDonald's Service Station took the title in 1932. Last year New Metrol Laundry claimed the provincial honors by default when the Mainlanders failed to put in an appearance in their own ball yard.

Scores follow:
Alberta Lumber 10 0 0 0 1 0 0 0—2 3 13
Victoria Longshoremen 2 1 2 7 11 1—15 10 2

Batteries—Hoover, McDonald and McDonald, Porritt; Bonner and Berry.
Second Game—R. H. E.
Victoria Longshoremen 2 1 2 7 11 1—15 10 2
Alberta Lumber 0 0 0 0 1 0 1 0—8 8

Batteries—Byers and Berry; Hoover and McDonald.

(Second game, seven innings in order to allow Alberta Lumber to catch the excursion boat.)

CONN FIGHTS FRIDAY NIGHT

Light-Heavyweight Champion to Swap Punches With Pastor

NEW YORK, Sept. 3 (AP).—The "fancy dance" of the bigger boys, the light-heavyweight champion, Billy Conn, of Pittsburgh, and New York's Bob Pastor, are listed once again to clash in a fifteen-round bout here Friday night—this time out of the clutches of bad weather in the indoors Madison Square Garden.

Originally scheduled for the Polo Grounds ball park, August 17, the match was called off because of rain.

Action During Recent Baseball Game

In this picture the cameraman was right on the job for some neat action around third base during a recently played New York Giants-Philadelphia big league ball game. Tony Cucinello, Giant third sacker, is missing by plenty Herman Schulte as the latter slides into third. Tony is seen reaching desperately for the Philly infielder, but fails by inches to make the putout.

Keating and Cromack Capture Annual Yarrows Cup Bowling Meet

By W. H. YOUNG
Another contest for the Yarrows Cup has been completed, under the auspices of the Canadian Pacific Lawn Bowling Club of Victoria, and those who were responsible for its success have every reason for elation because of the splendid success attending their efforts. It may also be stated that the brand of play witnessed throughout the contest has been generally conceded to be the highest in the history of the event.

For this credit must be ascribed to the weather man and also those whose duty it is to look after the greens. In all respects conditions under which the event was conducted reflected credit upon those responsible for this most important feature in any sports undertaking.

Servicemen Register 19-18 Victory Over Munro's Stick Handlers in Preliminary Eliminations in Senior Boxla League—Next Game Tomorrow—Owl Drug Team in Another Win

Coach Gus Munro's scrappy Jokers finished a long way back in the regular Boxla League schedule but they came exceptionally close to upsetting the play-off apple cart last night only to go down to a 19-18 defeat at the hands of the Alerts in the first game of the best-of-three preliminary series which opened at the Victoria Sports Centre.

Second game will be played tomorrow evening at the Wilkows and another victory for the servicemen will give them the series and the right to meet James Bay in the finals. However, should the black-clad stickmen reverse the decision a third and final battle will be staged Friday evening.

Jokers went down fighting in another wild, rugged exhibition of the gutted stick pastime, and actually missed being passengers on the winning van by less than one minute of the final stanza. Coach Gus Munro's proteges, aided by some smart last-period sniping by Andy Overhark and Roy Haines, Duncan school teacher, set up a three-goal lead in the fourth quarter, and appeared headed for victory. But the Alerts, known for their closing drive, came back with quick goals by Daryl Coates and Louis McCormick, to show ahead momentarily at 17-16. George "Porky" Andrews knotted the score at 17-17 and the clubs were into the third tie of the hectic final stanza.

ALERTS IN LEAD

It was young Bill Duncan who made the big jump from juvenile to senior for a night, who gave the Alerts the lead at 18-17 with only forty seconds of play remaining. However, Wally Williams, servicemen's ace sniper, felt the margin was not quite safe so he fired home another goal ten seconds later, and as it happened it was just as he did, for with seventeen seconds left and a pair of markers dividing the clubs, Andrews fired a first-timer past Goalie Ernie Gawley.

It was a case of the youngsters showing the way in the Alerts' camp, with Louis McCormick, star of Manager Bob McLean's McLean's Bakery junior squad, sharing the scoring honors with six valuable markers. Wally Williams, club's top sniper, was right behind with four tallies.

Reg Allen, speedy wing forward, playing one of his best games of the season, set the pace for the Jokers with five well-earned tallies. Lynn Patrick, who was responsible for giving the black-clad stickmen a two-goal lead in the third stanza, and young Andy Overhark shared second scoring berth, each with three goals.

Coach Munro's proteges flashed their best form in the third stanza when they came up with eight big goals and reached the end of the stanza leading 13-12. A pair of smart tallies by Reg Allen in the closing minutes of this session gave the Jokers their advantage as the period closed.

Alerts kept in front in the first two periods, but their margin was always slim. Their front-line snipers snaked some easy ones past Goalie Jimmie Skelton in the early stages, but when he settled down he was a hard man to beat.

GOALIES BUSY

Goalie Ernie Gawley, guarding the pipes for the Alerts, found his evening chores quite heavy, and turned aside a few more shots than he would have liked. On the evening's display, the goalies gained their share of well-merited applause.

Play was wild and rugged most of the time, with neither club getting any real chance to settle down and play good lacrosse. One thing was certain, however, the rugged exhibition and the closeness of the score certainly met with the approval of the spectators.

DRUGGISTS WIN AGAIN

Owl Drug checked in with their second straight victory over McLean's Bakery Junior League leaders in the play-offs for the city championships. Last night's score was 17-13 in favor of the druggists and gave them a stranglehold on the best-of-five series for the honors.

Bakerymen finished well out in front in the league schedule, but have not been able to stop the Owl Drug in the play-offs. Druggists surprised by taking the opening play-off battle and by taking last night's fixture have a two-game lead.

Third game in the series will be played tomorrow evening as a preliminary to the second play-off battle between Jokers and Alerts.

The junior fixture will start at 7 o'clock, and the feature attraction at 8:30 o'clock.

Score by periods:
Owl Drug 3 2 7 6—17
McLean's Bakery 0 3 2 8—13

LAWN BOWLING TOURNEY STAGED

There was a big turnout of bowlers at the Beacon Hill greens on Labor Day, both in the morning and afternoon. The morning day were carried by Harry Watersfield, a visitor from Cumberland, who skipped the winning doubles in the afternoon. Accompanying Watersfield in the morning was another visitor, Mr. York of Calgary, also an afternoon winner. Between them they piled up a margin of 17 points over their opponents, T. Watersfield and P. L. Exham.

Second prize was won by Mat Mossey and J. E. Hall with 10 points over T. Renfrey and S. Mitchell. Third prize went to W. W. Cross and W. N. Smith, who were 10 up over C. Goodwin and L. Melville.

In the mixed rink games in the afternoon eight men and women bowlers took part in prizes going to rinks skipped by H. Watersfield, York, W. Leal and R. Husband, respectively.

Cincinnati Squad And Chicago Take Only Major Games

Veteran Jimmy Wilson Bats Reds to 4-3 Victory Over the Cardinals to Stretch Margin Over the Dodgers to Eight Games—White Sox Trim Tigers—Yankees Now in Second Berth

CINCINNATI, Sept. 3 (AP)—Forty-year-old Jimmy Wilson, sometime manager, coach and catcher and who has a son nearly ready for pro baseball, batted Cincinnati Reds to a 4-3 victory over St. Louis today to stretch their eight full games ahead of the Brooklyn Dodgers in the National League pennant race.

The champions' eleventh triumph in fifteen starts also was Freeman Joe Bess' ninth in a relief role, and dropped the Cards to a third-place tie with Pittsburgh.

Jimmy got his chance in the eighth and turned in his second double since returning to active duty yesterday as sub for the injured Ernie Lombardi. The hit knocked in the winning run. R. H. E. TIGERS ARE BEATEN
CHICAGO, Sept. 3 (AP)—Scoring seven runs in a first-inning marathon, Chicago White Sox today trounced Detroit Tigers 10-2 to throw another dagger on Detroit's American League pennant chances and put the third-place Tigers four full games back of the league-leading Cleveland Indians. It was Detroit's eighth straight loss to the White Sox.

Detroit, dropping a half game behind the second-place New York Yankees, lost the services of Barney McCoskey, possibly for as long as a week. The star centre fielder strained muscles in his side in the second inning trying for a diving catch on Taft Wright's double. R. H. E. Cowichan Agricultural Society Has Fall Fair

An Estimated 2,000 Persons Attend Annual Event, Which Was Held at Duncan—Prize Awards Announced—Quality of Exhibits High

DUNCAN, Sept. 3.—A crowd estimated at 2,000 attended the Fall fair arranged by the Cowichan Agricultural Society at Lowhill Park, Duncan, on Labor Day. Among the visitors from many points attending the fair were Hon. K. C. Macdonald, Minister of Agriculture; George I. Warren, publicity director; J. V. Johnson, vice-president of the Victoria Chamber of Commerce; G. H. Harman, manager of the Bank of Montreal; and Capt. McMurray, manager of the B.C. Coast Service.

Handicapped by lack of a hall, which is occupied by troops, the society nevertheless managed to stage a very successful fair. Entries were restricted in number, but quality was high in each section of display. F. B. Carbery won an award of merit for a display of dahlias. He also won the Neel Cup for best bloom in the show.

In the fruit division, A. Fleischer of Sonoma, and W. J. Jennings, of Glenora, divided honors with eleven prizes each. H. H. Bazett won many prizes for seed potatoes, and the Fairbridge Farm display of farm produce attracted favorable attention.

LOGGERS' SPORTS
In the loggers' sports, Ed Robertson, of Oyster Point, won first for open and novice chopping, and second in novice sawing. Phil Whitaker, of Cowichan Station, won the open sawing event in 1:16.15, and Charlie Williams won the novice sawing in 1:14.15. The winner of the open, who also competed in the class, Mrs. Kate Stewart, of Westholme, won the ladies' sawing, and Miss Daphne Purvey, of Duncan, the ladies' nail-driving competition.

There were many entries from all island points in the Highland dance, and the direction of Miss Gwen Dewar, of Victoria. The prizes for best dressed Highland lass and lad went to Georgina Moore and Walter Burgess. Miss Moore won the sixteen and under Highland fling, the Irish reel and the sword dance, and Burgess, the sword dance and the sailors' hornpipe. The amateur pipers won prizes went to Frank Knight for marches, and to John Low for strathspeys and reels. Prizes in the twelve and under class went to John Auchincloss for sword dancing and Reel of Tulloch. Mabel McAllister won two prizes in the ten and under class, the Highland fling and Seann Triubhas.

Housewife—Have you had any experience taking care of children?
Young applicant—No, ma'am; you see, I've only worked for the best families.

Betty (just engaged): "Doris, do you know what it feels like to be in love, to sit next to the man you adore, and feel your innermost soul vibrate?"
Doris: "Sure I do, I feel like that every time Joe takes me out on his motorcycle."

Housewife—Oh, cook be sure and put plenty of nuts in the cake.
Cook—You don't catch me cracking no more nuts. I've near broke me jaw already.

300 HORSES COMING HERE

Big Shipment Coming From The Mainland for Racing at Willows

VANCOUVER, Sept. 3 (CP)—British Columbia-bred horses, especially those raised on Vancouver Island, will feature the fourteen-day racing season which opens at Willows Park in Victoria, Saturday.

Among the leading contenders will be Killarney L., champion of the recently completed Vancouver racing circuit. Altogether more than 300 horses will be shipped from here.

Some Turley, another Victoria product, will also be on hand, as will Mrs. Frank Reban's Sahara Chief, from Nanaimo. She will take her entire stock from the Emerald Stock Farm.

Other Island and Victoria stables to enter include "Doc" Darbyshire, who enjoyed a banner season here with the recently defeated Mac Phalaris. Mrs. Asah Smith, who owned Goldstream and Simony's Boy, also expects to crash the winners' circle at the Willows.

Killarney L. and Sahara Chief both started at the Vancouver races on Labor Day, the latter just missing the \$1,000 added handicap by two noses in a photo finish with Sunny Park and Sumter. "Sunny" and "Sim" will also go to the fairgrounds to battle the Islanders, although each has yet to defeat the 1940 champion—Killarney L.

The champion has packed top weight in most of his starts on the Mainland and in all probability will be saddled with a heavy load when he goes to the posts at the Capital City track.

WOOD TOPS GOLF FIELD

Vancouver Professional Wins Alberta Open Tournament With 274

CALGARY, Sept. 3 (CP)—Freddie Wood, professional at the Fraser Golf Club, Vancouver, came from behind to win major honors in the Alberta open golf tournament, played at the Country Club course here. After trailing Stan Leonard in the tournament for three rounds, Wood came through with a sub-par round of 68, while Leonard, after three rounds of better than par golf, slipped to 73 on the final round.

Wood's winning score for the seventy-two holes was 284, the lowest total ever recorded in the Alberta Open, while Leonard, in 1939, finished four strokes under par, with 276.

Leonard, with opening scores of 67 and 68, gave him a four-stroke lead at the half-way mark over Wood, who shot 69 and 70. Henry Martell, star Edmonton amateur, was within striking distance of the two professionals at this point, with 69 and 72, but he slipped on Monday and ended the seventy-two holes with 288, in third spot.

Martell easily led the other amateurs in the tournament. Young Bill Tait, junior-champion at the Calgary Golf and Country Club, trailed him with 283, and Duane Barr, Earl Grey Club, Calgary, was next with 295. The three amateurs won prizes of war savings certificates.

Third professional money in the tournament went to Laverne Johnson, assistant at the Hastings Park course, Vancouver, with 296. Other professionals in the money were Pete Pryke, Earl Grey, fourth, with 297; Wilf Greenwood, Wascana Country Club, Regina, fifth, with 298; Roy Heisler, Quilchena Club, Vancouver, and Doug Todd, Edmonton Golf and Country Club, tied with 299, and Jack Cuthbert, of the home club, and Les Bevan, of the Lethbridge Country Club, tied at 300.

What Today Means

"VIRGO"

If September 4 is your birthday the best hours for you on this date are from 8:30 to 10:30 a.m., from 2:30 to 4:30 p.m., and from 8:30 to 10:30 p.m. The danger periods are from 6:30 to 8:30 a.m., from 6:30 to 8:30 p.m., and from 10:30 p.m. until midnight.

It might be well for you to make up your mind to take disappointments good-naturedly today, as unexpected changes in conditions will probably be largely responsible for them. The average person may not realize the extent of their own strength today, so be careful in turning, twisting or putting pressure on anything not to be too energetic. The average person's regard for the passage of time is apt to prove very annoying today, if any consideration is given as to how they might be used. It will be a poor shopper who fails to inspect whatever they are buying and depends on the salesman's selection proving satisfactory, particularly in the way of perishable merchandise. Human flesh is weak.

and it will be a poor policy to subject it to any form of temptation, simply to test its resistance power today. Married and engaged couples, and those who are carrying on a successful courtship, will find this a good day for fault-finding or nagging, for either is likely to result in an unpleasant amount of pronounced resentment.

If a woman and September 4 is your birthday, the urge of ambition may make you restless. You may take your time in formulating ideas, but since you are satisfied with them it is apt to be a difficult task to make you have a change of mind. You, in all likelihood, frequently try to hide your cleverness under a mask of levity, but you are not likely to fool anyone for any length of time. You ought to have no difficulty in proving your ability in some research capacity, as a librarian, office manager, instructor, personal director, designer, business executive, actress, author, or in the operating of a restaurant. Your diplomacy and tact should make you a wonderful mate for any man.

The child born on September 4 is likely to grow restless under any drastic form of discipline, so discrimination should be used in its administration. Whenever possible children born on this date should be permitted to follow their natural bent in preparing themselves for a profession or business career.

If a man and September 4 is your natal day, the degree of success that you may attain will, perhaps, depend largely upon the attention you give to details, and the precaution you exercise in the development of plans for the furtherance of your activities. As a journalist, playwright, actor, theatrical producer, artist, author, educator, clergyman, lawyer, contractor, public official, doctor, salesman, manufacturer or agriculturist, financial security and a position of prominence may be your reward.

Stocks Continue On Upward Path On Wall Street

NEW YORK, Sept. 3 (AP)—The stock market kept on the recovery path today, although the going was a bit difficult at times.

Steels led an early morning push which included most of the industrial. The advance faltered after the first hour, however, and extreme gains running to a point or so were reduced or replaced with minor declines in some cases at the close.

The Associated Press average of sixty issues managed to emerge up 2 of a point at 43.8. Transfers of 544,550 shares compared with 563,810 last Friday.

In yesterday's trading volume it was recalled that in the war-bond season following Labor Day a year ago an aggregate of nearly 6,000,000 shares changed hands. For the entire month of August, 1940, the total was only about 7,600,000 shares.

Among issues with plus signs were Chrysler, American Telephone, Dow Chemical, Johns-Manville, Eastman Kodak, Douglas Aircraft, Zenith Radio, McKesson-Tipple, Du Pont and Union Carbide.

A tribe behind were General Motors, Santa Fe, N.Y. Central, Sears Roebuck, Boeing, United Aircraft and American Smelting.

Dollar bonds of countries of the British Commonwealth of Nations and various Latin-American issues jumped 1 to 3 points today on news of the swap of United States destroyers for sites for naval bases.

Among the loans chiefly benefited were Canada 3 1/2, 1-4 and 4 1/2, New South Wales 5 1/2, Argentine 4 1/2, Buenos Aires 4 3/8 and 1-2 and Uruguay 3 3/4.

United States Governments, too, made unusual gains, advancing in some instances more than 1-2 point.

DOW JONES' AVERAGES
Dow Jones averages closed today as follows:
Thirty industrials, 129.75, up .33.

WHEAT FUTURES - KEEP LOW LEVEL

WINNIPEG, Sept. 3 (CP)—Wheat prices on Winnipeg Grain Exchange failed to respond today to reports of the sale of about 1,000,000 bushels of Canadian wheat to the United Kingdom. Closing quotations were at fixed minimum levels of 73 cents a bushel for the October future and 74 1/2 cents for December.

Chicago wheat closed 1/2 cent higher, while Buenos Aires posted losses of 1/2 cent. Cash wheat trades were limited to odd cars and adjustments, while increased hedging pressure in oats and barley was seen in the course grain pit.

CHAPTER XIV

"Why not ask Edwina?" They were out in the garden, Alan and Edwina. What were they saying? What could they say? The music seemed endless. Chorus after chorus of the same song had been played and she was miserable, her heart uneasy.

"Of course I'm going to ask Edwina. My house is just over the hill from hers. I was in her house tonight. It's a magnificent place and it's been kept beautifully by two old caretakers. Carol, will you forgive me if I am honest enough to admit that I bribed the orchestra to make this a long number?"

"You didn't!"

"Oh, but I did. And since some of the oldsters look as if they're going to drop, I think I'd better suggest the leader to stop. Thanks, Aphrodite."

"You're welcome, most ingenious young man."

"You're not angry?"

"No, not angry." But wondering how it would be if she were to find herself alone with Alan five years after a violent end to their love affair. Would the evening never end? Persistent little hammers knocked against her brain. She felt dizzy, her thoughts strewn, thoughts that had been so orderly a few days ago.

Norman said: "Bringing an orchestra always gives me a sense of power."

So it had been the desire for a sense of power rather than the desire to dance with her that she had the music prolonged. She felt relieved, wondering why, but ceasing to wonder about anything except Edwina and Alan as Norman followed her in the direction of the veranda. For the first time since she had known Alan she felt for what he might do. She felt a strange, inexplicable sympathy for the girl who had loved him—as much perhaps as she loved him now.

Alan and Edwina had come in and Edwina, animated again, was chatting with Mrs. Webster, who was obviously very flattered. Alan stood apart with Tommy Webster, pretending to listen to him, but when Carol and Norman joined the group, Alan moved to Carol's side as if her closeness was refuge.

Edwina's glance took in all of them. A defiant impulse caused her to say: "I'm giving a party next Saturday. I'd like you to come."

Little Mrs. Webster fluttered but her husband wagged his head mournfully. They would be gone a week hence.

Carol said uneasily: "Thank you. I don't know. I may be out of town."

"That's too bad," Edwina said. She moved forward Norman and bowed her arm through his. "Well, awfully nice to know all of you. I like to see you again, Alan. I promised to see the Smiths before they leave."

Alan looked tired from the strain. Carol thought, and the persistent little hammers had increased their knocking against her brain. But

TALK OF THE DEVIL AND HE IS SURE TO APPEAR!

Where came this saying? Was it originated by some wily schoolmaster to cure his charges of the reprehensible if pleasurable habit of gossip?

However this may be, its inspiration seems to be in the lives in the poem "Hans Carvel" by Matthew Prior, English poet of the latter seventeenth and early eighteenth centuries reading:

Since therefore 'tis to combat evil, 'Tis lawful to combat the Devil; Forthwith the Devil did appear, For name him and he is always near."

WILL SENTENCE YOUTHS TODAY

Donald Stancil and Hugh McMillan Are Convicted Of Theft Charges

Hugh McMillan and Donald Stancil were convicted of theft charges in the city police court yesterday morning by Magistrate Henry C. Hall and were remanded until this morning for sentence.

Two charges were read against Stancil and one against McMillan. On a charge of retaining possession of two auto license plates, knowing them to have been stolen, Stancil pleaded guilty, and was convicted, after electing speedy trial, of retaining possession of a camera of the value of \$25, also knowing it to have been stolen.

McMillan pleaded guilty to stealing the camera, the property of Mabel Jochen, Cedarburg, Wisconsin, but denied any knowledge of a camera mentioned in the joint charge. Magistrate Hall said that he therefore had to consider a plea of not guilty and summarily found McMillan guilty.

BOUGHT CAMERA

Taking the stand on his own behalf, Stancil testified that he and his brother had gone for a ride with McMillan. They had stopped for a few minutes on Oak Bay Avenue and McMillan had got out, returning shortly afterwards. Upon reaching the latter's lodgings on Fort Street, he offered to sell the camera to Stancil. The deal was completed for \$15.00 after McMillan had told Stancil that the camera belonged to him, the accused said on the stand.

On August 22, Detective David Donaldson accosted Stancil and McMillan on Fort Street, he testified, the stolen camera and coat being in Stancil's car.

Magistrate Hall declared that it seemed perfectly obvious that the camera was stolen and consequently found Stancil guilty.

ADmits THEFT

When McMillan appeared he admitted stealing the camera from the Jochen car, which was parked on Newport Avenue. Although Miss Jochen testified that the coat was stolen the same night as the camera, and it was found with the camera in Stancil's car, McMillan denied any knowledge of it. He was found guilty.

Long prison records were read against each of the accused by Claude L. Harrison, city prosecutor.

ADDING TO CHAPLAIN'S

OTTAWA, Sept. 3 (C.P.)—Lieut.-Colonel the Right Rev. G. A. Wells, principal Protestant chaplain of the Canadian Active Service Force, said today hereafter a chaplain will be attached to each battalion of the C.A.S.F. A chaplain also will be attached to each brigade.

Formerly there were three chaplains attached to a brigade and none to battalions. There are three battalions in a brigade.

MAE WAS A HOT-WEATHER OFFENDER

MAE not only knew how to dance—she knew how to dress well, too. But what she did not know—or thought didn't matter—was that anybody who is careless can become a HOT-WEATHER OFFENDER.

All of us must perspire to live—just as we must breathe. Hot, sticky weather increases perspiration—and what is worse, it speeds up decomposition: left on the body, sweat deposits go stale—decompose.

FIND DEATH ACCIDENTAL

Jury Exonerates Driver of Truck Which Killed Child On Roadway

A verdict of accidental death was returned by a coroner's jury which inquired yesterday into the circumstances surrounding the death of Ingrid Louise Peterson, twenty-month-old daughter of Mr. and Mrs. G. E. Peterson, 2139 Florence Street.

Oak Bay, who was run over on Friday afternoon last by a truck driven by H. J. Oliver Bligh.

Evidence given by Barbara Peterson, sister of the victim of the accident; Vernon Hurd, a playmate, and Frederick Natras, street car operator, who saw the accident, showed that the baby girl had run out into the road to pick up a piece of paper. To avoid striking her, the truck driver turned in towards the curb, but one front wheel ran over her.

Barbara Peterson said the truck was not traveling fast, the brakes fully applied, where as if the brakes had been efficient the truck should have stopped in forty feet.

Evidence was given also by Constable D. Dowell and Constable W. Douglas, Oak Bay police, the latter stating that the truck's horn did not work and there were no headlights or speedometer.

DRIVER'S EVIDENCE Oliver Bligh, twenty-three, driver of the truck, testified that he had been traveling at about thirty miles an hour before the accident and slowed down to about twenty-five at Florence Street, on Cadboro Bay Road, when he saw the children playing there.

When the baby ran out into the road he applied the foot brake and pulled to the right. If the sidewalk had been clear, he could have driven up onto it and avoided striking the baby, but with the other two children sitting on the sidewalk he could not avert the accident.

The evidence was heard by Dr. E. C. Hart and a jury comprising W. R. Ridington (foreman), Charles Creagh, James Cameron, A. B. Henry, Thomas Watt and James McCrimmon.
